SPONSORSHIP OPTIONS

The Military Aviation Logistics & Maintenance Symposium (MALMS) is a dynamic forum for members of the U.S. military and commercial aerospace industry to discuss process improvements and operational readiness concerns regarding aircraft maintenance, logistics, and sustainment capabilities development.

The MALMS Symposium will provide attendees, exhibitors and sponsors with an interactive experience that fosters lively conversation, networking, and participation. MALMS is held with the support of the logistics and sustainment leadership of the U.S. Army, Marine Corps, Navy, Air Force, Space Force, and the Logistics Officers Association. The Symposium drives the U.S. military to partner with the private sector for rapid innovation, process improvements and increased operational readiness.

By taking an exhibit or sponsor package you are perfectly positioned to showcase your brand and services to senior level attendees in an intimate setting.
